Re: MB Docket No. 99-25

Dear Ms. Dortch:

On August 22, 2005, Media Access Project, on behalf of Prometheus Radio Project, *et al.*, submitted timely comments in the above captioned proceeding. By mistake, an almost final draft was submitted instead of the final draft.

The attached document corrects typographical errors and more clearly identifies which parties supported the *Appendix B* translator proposal, the *Appendix C* translator proposal, and which parties had no preference with regard to either proposal. No substantive changes have been made to the comments.

Accordingly, Prometheus Radio Project, *et al.* request the Commission substitute these comments in place of the comments filed on August 22, 2005. If you have any questions, please do not hesitate to contact me.

Respectfully Submitted,

Harold Feld
Senior Vice President
